2008 TUNING FOR SPEED

*** This seminar focuses on tuning techniques to get the most out of your British car ***

FRIDAY 5/30 Seminar begins promptly at 9:00am at University Motors Ltd in Ada, Michigan. We will start with a complete description of a comprehensive tune up: Engine condition, ignition, carburetion, and emissions. We will tune one participant's car as participants work with us to view the methods and techniques of proper tuning. We will break at about 12:00 for lunch, and reconvene at 1:00pm. We will end the shop day at 5pm. At 7:00pm, we will gather at a fine, local (Grand Rapids area) restaurant for a meal and more discussion.

SATURDAY 5/31 Seminar begins promptly at 9:00am at Eclectic Motorworks in Holland. We will begin discussions of performance recipes that include ignition, fuel systems, forced induction (supercharging), brakes, chassis, driveline, and safety upgrades. During this discussion, participants will be able to hold and inspect Eclectic Motorworks' vast inventory of speed parts—nearly every speed part available for the MGA/MGB (heads, cams, carbs, ignitions, superchargers, suspension, and more). MGBs will be on display featuring supercharging, crossflow heads, V8 conversion, EFI/DOHC Miata 4 conversion, and more! At 7:00pm, we'll again dine together at a local restaurant near the Lake Michigan waterfront in Holland.

SUNDAY 6/1 Seminar begins promptly at 9:00am again at University Motors. We'll continue the discussions of the previous day. We'll also look at copies of the dyno data taken from the dyno sessions. We will also talk about modern and vintage performance accessories. We will bring in lunch (pizza) so we do not have to leave the premises during the day. Following lunch, we'll tie all of the information together into a comprehensive performance methodology. The seminar will conclude at about 3pm.

HOURS Friday & Saturday 9:00am -> Late
Sunday 9:00 -> 3pm

COSTS Registration is \$395 for the three days.

HOTELS

The hotels are on the corner of Patterson and 28th Street, two miles from the Gerald Ford International Airport, three miles from University Motors Ltd. We will distribute a list of participants to you before you arrive so that you might share a ride or a room.

Make your own reservations at the:

Hilton Hotel
4747 28th Street SE
Grand Rapids, MI 49508
(616) 957-0100
(about \$95/night)

Exel Inn
4855 28th Street SE
Grand Rapids, MI 49508
(616) 957-3000
(about \$55/night)

MEALS

You are responsible for your own meals except for Saturday afternoon (a late lunch/early dinner) and Sunday lunch. Friday and Saturday evenings we'll dine together at a local restaurant.

FLYING

The hotels are two miles from the airport and three miles from the University Motors; the Hilton offers a shuttle service.

WHAT to BRING

Your own coffee cup, notebook, camera, workshop manual, and your questions. Bring the recommended reading packet that we send you. If you wish to videotape all or part of the seminar, please contact John or Carl.

MAPS

We will send detailed maps ten days before the event with last minute information.

Recommended Reading:

Along with maps, we'll send a packet of recommended reading material.
